Dear Mrs. Flanigan:

You are cordially invited to a ribbon-cutting ceremony on Thursday, June 30, 1966, 3:15 p.m., to mark the official opening of the Dunleer Drive Footbridge. This ceremony will be held at the west end.

You, no doubt, are just as pleased as I am that this Bridge is finally completed, after years of red tape, delays, neglect and an unbelievable maze of obstacles through which it now has been successfully shepherded.

You indicated to me an early interest and supported my efforts to complete this Bridge, the possibility of which was first conceived of by residents in the area more than seven years ago as a convenient and safer way to reach the Palms Park Playground and the Palms Branch Library. Therefore, I very much would like you and your family to be present when this Bridge is dedicated.

Very truly yours,

EDMUND D. EDELMAN, Councilman
Fifth District
