Application for the Erection of a Building
OF
CLASS "D"

Board of Building and Safety Commissioners of the City of Los Angeles:
Application is hereby made to the Board of Building and Safety Commissioners of the City of Los Angeles, through the office of the Superintendent of Building, for a building permit in accordance with the description and for the purpose hereinafter set forth. This application is made subject to the following conditions, which are hereby agreed to by the undersigned applicant and which shall be deemed conditions entering into the exercise of the permit:

- 1. That the permit does not grant any right or privilege to erect any building or other structure therein described, or any portion thereof, on any street, alley, or other public place or portion thereof.
2. That the permit does not grant any right or privilege to use any building or other structure therein described, or any portion thereof, for any purpose that is, or may hereafter be prohibited by ordinance of the City of Los Angeles.
3. That the granting of the permit does not affect or prejudice any claim of title to, or right of possession in, the property described in such application.
